Participate in 'Youth, Faith and Vocational Discernment' survey In October 2018

Catholic bishops from all over the world will meet in Rome with Pope Francis to focus on "Youth, Faith and Vocational Discernment." A survey based on the Preparatory Document for this 15th Ordinary General Assembly of the Synod of Bishops was created by the Archdiocese of Galveston-Houston to gather important information to help advise bishops and the Holy Father for this very significant occasion. Data from this survey will also be used to help the Archdiocese better serve the young people in our local parishes. To participate in the "Youth, Faith and Vocational Discernment" survey by the Archdiocese of Galveston-Houston:

***** Is God calling you to serve the youth of our parish?

We have several opportunities to serve in Youth Ministry programs in the coming year. Everyone in the church wants a vibrant, growing youth ministry program, but not many are willing to roll up their sleeves and be a part of the process. That is why the St. Andrew High School program needs you to volunteer!!! If you are interested in helping, please contact
